**Color-Coded**  
Quickly and easily find the right L-Key. Powder coated for increased grip and oil resistance.

**Compact**  
Wiha's exclusive Chrome-V-Moly Super Tool Steel, providing strength and resistance to wear for long-lasting performance. Designed with Ball Ends, these L-keys allow for up to 25° off-center access. Through-hardened construction ensures maximum durability, enabling the keys to withstand heavy use without compromising their shape or strength.
